ALDRIDGE HARBOR PORT AUTHORITY

INVITATION FOR BIDS

KESSLER POINT MARINE TERMINAL — PERIMETER SECURITY, ACCESS CONTROL AND SURVEILLANCE SYSTEMS

DOCUMENT 1 OF 13 — INSTRUCTIONS TO BIDDERS

Solicitation Number	AHPA-2026-IFB-0417
Issue Date	14 September 2026
Funding	Federal Emergency Management Agency, Port Security Grant Program, with Authority capital participation
Facility	Kessler Point Marine Terminal, a facility regulated under 33 CFR Part 105
Document Revision	Rev 0

NOTICE — SENSITIVE SECURITY INFORMATION

This solicitation and certain of its attachments contain Sensitive Security Information as defined at 49 CFR Part 1520. Recipients become covered persons within the meaning of that Part. No part of this package may be disclosed to any person without a need to know. Handling requirements are at Annex C.

1. INTRODUCTION AND SCOPE

ITB-1.1 The Aldridge Harbor Port Authority (hereinafter “the Authority”) invites sealed bids for the supply, installation, integration, testing, commissioning, training and warranty of perimeter security, access control, video surveillance and security command and control systems at Kessler Point Marine Terminal.

ITB-1.2 The Works comprise, in outline: a taut-wire perimeter intrusion detection fence to the full landside boundary; a video surveillance system with artificial-intelligence object classification; a security pre-gate facility with command and control station; pedestrian access control; vehicle barriers and crash-rated gates; a Security Operations Centre; supporting network, power and civil works; and integration to the Terminal Operating System.

ITB-1.3 The Commercial Gate and its Gate Operating System are **not** within the scope of this contract, save for the interface obligations at Document 5.

ITB-1.4 The Authority’s budget for the Works is **fifteen million United States dollars (\$15,000,000)**. Bidders are advised that this figure has been established by the Authority and approved by its Board, and that the Authority has no present expectation of exceeding it.

ITB-1.5 The facility will remain in continuous commercial operation throughout the Contract Period. The Facility Security Plan approved under 33 CFR 105.410 shall remain in effect at all times.

2. REQUIREMENTS LANGUAGE

ITB-2.1 Throughout this solicitation and all its attachments, the following convention applies and shall be used by Bidders in responding:

Term	Meaning
shall	A mandatory requirement. Non-compliance may render the bid non-responsive.
will	An optional requirement. Compliance is scored but is not a condition of responsiveness.
may	A desirable feature. Compliance is scored as a differentiator.
should	Treated as will for the purposes of this solicitation.

ITB-2.2 Where a requirement is expressed as a quantity, a rating, a range or a standard, compliance shall be demonstrable by reference to a manufacturer’s published specification, a certificate issued by a recognised body, a test report, or a documented demonstration.

ITB-2.3 Bidders shall not qualify a “Yes” in the Compliance Matrix. A response is either compliant as specified, or it is not.

3. MINIMUM BIDDER QUALIFICATION

ITB-3.1 A bid from any entity not satisfying every criterion of this Clause 3 shall be rejected without evaluation. The Authority will not seek clarification of a qualification shortfall.

ITB-3.2 The Bidder shall have been continuously engaged in the design, supply and installation of electronic security systems for not fewer than **ten (10) years** preceding the bid submission date.

ITB-3.3 The Bidder shall have completed not fewer than **three (3) projects of comparable nature** within the **thirty-six (36) months** preceding the bid submission date. A project is of comparable nature where it comprised the integration of not fewer than three of the following: perimeter intrusion detection, video surveillance exceeding one hundred (100) cameras, electronic access control, vehicle barrier systems, or a security command and control facility.

ITB-3.4 Each project offered under ITB-3.3 shall have had a final contract value of not less than **eight million United States dollars (\$8,000,000)**.

ITB-3.5 The Bidder shall have completed not fewer than **one (1)** project at a facility regulated under 33 CFR Part 105 or 33 CFR Part 106.

ITB-3.6 The Bidder shall hold current certification to ISO 9001. Certification to ISO 14001 and ISO 45001 will be scored.

ITB-3.7 The Bidder shall demonstrate surety bonding capacity for a single project of not less than **twenty million United States dollars (\$20,000,000)**, evidenced by a letter from a surety listed on the Department of the Treasury’s Listing of Approved Sureties.

ITB-3.8 The Bidder shall be registered and active in the System for Award Management at the time of bid submission, with a Unique Entity Identifier and a Commercial and Government Entity code, and shall not appear on the SAM exclusions list.

ITB-3.9 The Bidder shall provide the representation required by FAR 52.204-24 and FAR 52.204-26 regarding covered telecommunications equipment and services.

ITB-3.10 Joint ventures are permitted. The qualification criteria of ITB-3.2 through ITB-3.7 shall be satisfied by the lead member, save that bonding capacity under ITB-3.7 may be satisfied in aggregate.

4. TENDER PACKAGE

ITB-4.1 This solicitation comprises the following thirteen documents. The Bidder shall satisfy itself that a complete set has been received.

No.	Document	Purpose
1	Instructions to Bidders	This document. Process, qualification, evaluation and submission requirements.
2	Scope of Work	Narrative scope, key personnel, schedule and milestones, reporting and project management.
3	General Conditions of Contract	The terms under which the Works will be performed.
4	Technical Specification	System-by-system technical requirements.
5	Integration and Interface Specification	Interfaces to the Terminal Operating System, Gate Operating System, law enforcement systems and third-party systems.
6	Cybersecurity and Information Security Requirements	Requirements arising from 33 CFR Part 101 Subpart F and 49 CFR Part 1520.
7	Bill of Quantities	Scheduled quantities. Contains no prices.
8	Pricing Schedule	The workbook in which the Bidder shall present its price.
9	Compliance Matrix	The form in which the Bidder shall record compliance.
10	Annex A — Site and Environmental Conditions	Climatic, marine and operational conditions at the Site.
11	Annex B — Schedule of Standards	Standards referenced throughout this solicitation.
12	Annex C — Sensitive Security Information Handling	Obligations under 49 CFR Part 1520.
13	Drawing Register	Site layout, boundary, gate arrangement and single-line diagrams.

ITB-4.2 In the event of conflict between documents, the order of precedence shall be: General Conditions of Contract; Instructions to Bidders; Scope of Work; Technical Specification; Integration and Interface Specification; Cybersecurity Requirements; Annexes; Bill of Quantities; Drawings.

5. SITE VISIT

ITB-5.1 A site visit will be held on **24 September 2026**, commencing at 09:00.

ITB-5.2 Attendance is mandatory. A bid from any Bidder not represented at the site visit shall be rejected.

ITB-5.3 Each Bidder may send not more than three (3) representatives. Every attendee shall hold a valid Transportation Worker Identification Credential. Attendees without a valid credential will not be admitted and no escorted access will be provided.

ITB-5.4 The Authority will not answer technical questions during the site visit. All questions shall be submitted in accordance with Clause 6.

6. BIDDER QUESTIONS AND AUTHORITY RESPONSES

ITB-6.1 Bidders may submit questions concerning this solicitation in writing, in English, through the procurement portal only.

ITB-6.2 The deadline for receipt of questions is **05 October 2026 at 17:00**. Questions received after this time will not be answered.

ITB-6.3 The Authority will issue consolidated responses to all Bidders on or before **16 October 2026**. Responses will be issued as a numbered Addendum to this solicitation and shall form part of the Contract Documents. Questions will be reproduced without attribution.

ITB-6.4 No response, interpretation or representation given by any officer, employee or agent of the Authority other than by Addendum shall bind the Authority.

ITB-6.5 Where a Bidder considers that a requirement of this solicitation is ambiguous, internally inconsistent, technically unachievable, or capable of satisfaction by a materially more economical means, it shall raise the matter under this Clause 6. A Bidder who does not do so shall be deemed to have priced the requirement as written.

ITB-6.6 A Bidder may request an extension of the bid submission deadline. Such request shall be made under this Clause 6 and shall state the grounds. The Authority may grant or refuse an extension at its discretion; any extension granted will be notified to all Bidders by Addendum.

7. ALTERNATIVE PROPOSALS

ITB-7.1 The Authority will consider alternative technical proposals.

ITB-7.2 A Bidder offering an alternative shall **in every case** also submit a proposal fully compliant with this solicitation as written, separately priced. An alternative is an addition to, and never a substitution for, a compliant offer.

ITB-7.3 A bid comprising only an alternative proposal shall be rejected as non-responsive without evaluation.

ITB-7.4 Where a Bidder intends to offer an alternative, it is recommended that the Bidder establish the Authority's position by question under Clause 6 before the question deadline.

ITB-7.5 An alternative proposal shall be supported by a technical justification demonstrating that the underlying operational requirement is satisfied to a standard not less than that of the specified solution.

8. EVALUATION

ITB-8.1 Bids determined to be responsive and from qualified Bidders will be evaluated on a weighted basis:

Component	Weight
Technical	40%
Commercial	60%

ITB-8.2 The Commercial score shall be computed as:

$$\text{Commercial Score} = (\text{Lowest Responsive Compliant Bid Price} / \text{Bid Price}) \times 60$$

ITB-8.3 The Technical score shall be computed as the weighted proportion of requirements complied with, scored as:

Modality	Points per requirement
shall	Mandatory. Non-compliance may render the bid non-responsive; no points are awarded for compliance.
will	2 points
may	1 point

normalised to a maximum of 40, and adjusted by the Evaluation Committee's assessment of methodology, schedule credibility and past performance.

ITB-8.4 Where a Bidder has submitted both a compliant proposal and an alternative, each shall be scored separately and the Authority may award on either basis.

ITB-8.5 The Authority reserves the right to reject any and all bids, to waive informalities, and to make no award.

9. BID SUBMISSION

ITB-9.1 Bids shall be submitted through the Authority's procurement portal at the address given at ITB-9.9. Bids submitted by electronic mail, facsimile, post or hand delivery will not be accepted.

ITB-9.2 The deadline for receipt of bids is **29 October 2026 at 14:00**.

ITB-9.3 The Bidder shall submit its bid in three separately uploaded packages, each as a single searchable PDF file, save where an Excel workbook is required:

Package	Contents
Package A — Technical	Technical Proposal; completed Compliance Matrix (Excel and PDF); system architecture and drawings; equipment datasheets; alternative proposals with technical justification; proposed programme; test and commissioning approach; proposed subcontractors.
Package B — Commercial	Completed Pricing Schedule (Excel and PDF); statement of payment terms; bid validity declaration; bid bond; schedule of exceptions to the General Conditions of Contract.
Package C — Company	Certificate of formation; ISO certifications; company background and organisational structure; schedule of past projects stating scope and final contract value; audited financial statements for the three most recent years; curricula vitae of proposed Key Personnel; professional and contractor licences; evidence of SAM registration; surety letter under ITB-3.7; FAR 52.204-24 and 52.204-26 representations.

ITB-9.4 No pricing information of any kind shall appear in **Package A** or **Package C**. A bid in which price is disclosed outside **Package B** shall be rejected.

ITB-9.5 Each file shall be named in the format AHPA-2026-IFB-0417_[BidderName]_[PackageLetter]_[DocumentTitle].

ITB-9.6 No single uploaded file shall exceed 50 MB. The portal will reject a larger file without notification to the Bidder.

ITB-9.7 The Bidder shall also deliver **four (4) hard copies** of the complete bid, each in a sealed opaque envelope marked with the solicitation number and the words "DO NOT OPEN — SEALED BID", to the Authority's Procurement Office, to arrive not later than the deadline at ITB-9.2. **Package B** shall be within a separately sealed inner envelope.

ITB-9.8 Bids shall remain valid for **one hundred and twenty (120) days** from the submission deadline.

ITB-9.9 Portal address: <https://procurement.aldridgeharbor.gov/solicitations/AHPA-2026-IFB-0417>

10. BID SECURITY

ITB-10.1 Each bid shall be accompanied by bid security in the amount of **five percent (5%)** of the bid price, in the form of a bid bond issued by a surety listed on the Department of the Treasury's Listing of Approved Sureties, or a certified cheque.

ITB-10.2 Bid security shall remain valid for thirty (30) days beyond the bid validity period at ITB-9.8.

11. AWARD AND CONTRACT

ITB-11.1 The successful Bidder shall, within fourteen (14) days of receipt of the Notice of Award, furnish a performance bond and a payment bond each in the amount of **one hundred percent (100%)** of the Contract Price, and a maintenance bond in the amount of ten percent (10%) of the Contract Price valid for thirty-six (36) months from Final Acceptance.

ITB-11.2 The successful Bidder shall furnish certificates of insurance in accordance with the General Conditions of Contract prior to commencement.

ITB-11.3 Notice to Proceed will be issued following execution of the Contract and receipt of all bonds and insurances.

12. FEDERAL PROVISIONS

ITB-12.1 This procurement is funded in part by a grant under the Port Security Grant Program administered by the Federal Emergency Management Agency. The provisions of 2 CFR Part 200 apply to the Authority, and the contract provisions required by 2 CFR Part 200 Appendix II flow down to the Contractor and to all subcontracts.

ITB-12.2 The Contractor shall comply with FAR 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment. No equipment, system or service produced or provided by Huawei Technologies Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, Dahua Technology Company, or any subsidiary or affiliate of such entities, shall be supplied, installed or used in the performance of this Contract, whether as a branded product or as a component or original equipment manufacturer supply to another brand.

ITB-12.3 The Contractor shall comply with the domestic content procurement preference of the Build America, Buy America Act. Iron and steel products, manufactured products and construction materials permanently incorporated into the Works shall be produced in the United States unless a waiver has been granted.

ITB-12.4 The Contractor shall comply with the Davis-Bacon Act and shall pay not less than the prevailing wage rates set out in the applicable wage determination. Certified payrolls shall be submitted weekly.

ITB-12.5 The Contractor shall comply with the Contract Work Hours and Safety Standards Act.

13. CONFIDENTIALITY AND SENSITIVE SECURITY INFORMATION

ITB-13.1 The Bidder shall execute the Non-Disclosure Agreement at Annex C before any drawing or site information is released.

ITB-13.2 The Bidder shall nominate in writing those of its personnel who require access to Sensitive Security Information, and shall satisfy the Authority that each has a need to know.

ITB-13.3 Upon completion of the procurement, an unsuccessful Bidder shall destroy all Sensitive Security Information in its possession and shall certify such destruction to the Authority within thirty (30) days.

14. GENERAL

ITB-14.1 Each Bidder is responsible for its own costs in preparing and submitting a bid. The Authority will not reimburse any such cost in any circumstance.

ITB-14.2 The Authority may, at its discretion, require any Bidder to present its bid to the Evaluation Committee. Attendance at such a presentation shall be at the Bidder's own cost.

ITB-14.3 All communications concerning this solicitation shall be directed to the Procurement Officer named at ITB-14.4 and to no other person. Contact with any other officer, employee, board member or consultant of the Authority concerning this solicitation may result in disqualification.

ITB-14.4 Procurement Officer: Ms. D. Halloran, Contracts Administration, Aldridge Harbor Port Authority.
